

To Whom It May Concern:

In regards to the Omnibus Objection for Circuit City Stores, Inc., et al., Chapter 11 case No 08-35653 (KKR), I, Steven F. Draxler, of 2322 Pocono Ct., De Pere, WI 54115, (920-217-1631) submit the following response:

On 1/28/2009 I filed a claim for \$5,440.00, KCC Claim number 6955. This claim is a result of Circuit City Stores, Inc. (the Debtor) awarding me, a Store Director for the Company, a long-term incentive in the amount of 500 units, at that time a value of \$10.88 per unit. This agreement, included in the original claim filed, is dated September 15, 2007, and is signed by Circuit City Senior Vice President Eric A. Jonas, Jr. It is stated in this agreement that I would be awarded a cash payment if I remain employed with Circuit City, which I did up to the end of the Company's existence. It had been a common practice of the Debtor to provide "Long-Term Incentives" on a regular basis to its employees in the Store Director position, one I held for over 5 years. The intention of the Long-Term Incentives was to increase performance of such employees and secure their commitment to company direction. It is the result of this direction that this particular incentive was never received. I hereby seek resolution in the amount of \$5,440.00.
